Overview Street Map

Hazards, Restrictions and Advice for Responders

- Half mile hike from parking location or use of ATV/UTV with land ownership permission
- Swift water during winter and spring flows
- Trip and fall hazards, slippery when wet
- Biological hazards (e.g., wildlife including rattlesnakes, wild boar)

Site Description and Field Notes

<p>Site Location/Segment: SAL-MT-A-010</p>	<p>Site Description and Field Notes: This site is located on Bradley Bridge with parking east of the bridge off Bradley Road. This is a good location to quickly look at the river and determine if any contamination is present. There is a two-track road east of the bridge with a locked gate. If accessing the river, the Orradre Ranch would need to be notified.</p>
