Overview Street Map

Hazards, Restrictions and Advice for Responders

- Oil production traffic entering and exiting Wunpost Road
- Swift water during winter and spring flows
- Trip and fall hazards, slippery when wet
- Biological hazards (e.g., wildlife including rattlesnakes, wild boar)

Site Description and Field Notes

Site Location/Segment: SAL-MT-B-005
Site Description and Field Notes: This site is located immediate south of the San Ardo Oil Field. This is a good location to look at the river and determine if any contamination is present. There is a locked gate to continue on the road if access more upstream is needed. Permission from Orradre Ranch would need to be granted to get through the gate.

Site Contact/s: Unknown – Orradre Ranch
